EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Brian N. Tufte on 12/05/2006.

The application has been amended as follows: Cancel claim 36, and replace it with the following paragraph...

" 36. (Currently Amended) A method for monitoring an area of interest having two or more regions, each region having a border region and an interior region, the method comprising the steps of:

capturing a capture image of the area of interest;

monitoring the border ~~and/or interior~~ region of a first region of the area of interest for breach by an object while not monitoring at least part of the interior region of the first region, and monitoring at least a portion of the interior region of the first region for the object after the object breaches the border region of the first region; [[and]]

monitoring the border ~~and/or interior~~ region of a second region of the area of interest for breach by an object while not monitoring at least part of the interior region of the second region, and monitoring at least a portion of the interior region of the second region for the object after the object breaches the border region of the second region. "

Allowable Subject Matter

2. Based on applicant's amendment/persuasive arguments filed on 10/03/2006, the art rejection for claims 1-45 has been withdrawn. Therefore, claims 1-45 are allowable.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
